

Terms / Conditions

I (the undersigned patient member) state, understand, agree, declare and / or acknowledge:

I am over 18 years of age and a resident of California. My doctor has recommended my use of medical marijuana / cannabis and in accordance with CA Prop 215 and SB 420, I am legally able to use, possess and cultivate cannabis for medical purposes.

Justified Alternative Healing Collective (JAHC), here-in-after referred to as Collective, is a non-profit organization whose mission is to promote the economic welfare of patient members by providing a medium to create a safe, consistent and reliable source of quality Medical Marijuana at the lowest possible recovery amount for the medicine.

I authorize the Collective to create and /or assign agency rights in its own name for the purpose of growing medication for my benefit. As a member, I appoint and designate the Collective, and their representatives, as my true and lawful agents for the limited purpose of assisting in obtaining my legally prescribed Medical Marijuana. This means that the Collective will be required to purchase, possess, transport and distribute my medication to me as recommended by my physician and I grant them the limited authority to do so. I further authorize the Collective to enter into contracts to obtain and / or allow growth / preparation of medication for my benefit.

I agree not to transport or ship my medication out of the state of California. I also agree my membership is exclusively valid in the state of California only and is not accepted or honored in any other state. As a member, I understand that the Collective has other members with similar Membership Agreements.

I authorize the Collective to jointly possess the Medical Marijuana as described under this Agreement jointly with other Collective members. I agree the Medical Marijuana possessed by the Collective, at any and all time(s), is the Collective property of every current existing member in good standing who is also under this or similar Membership Agreement with the Collective and that no current or previous member has any equity claim or specific equity position what-so-ever in any Medical Marijuana possessed or may be possessed by the Collective in any form. Any / All sums I donate to the Collective are used to recover any/all out-of-pocket expenses and reasonable compensation for the Collective's member services. I agree, Greenz Direct has the right to refuse service to anyone regardless if the member has an active medical recommendation. All provided services are up to our discretion of the collective.

All my contributions to the Collective are used to ensure the continued operation of the Collective and that any said donation in no way constitutes a commercial promotion or sale of any item. I will not redistribute any Medical Marijuana I obtain through the Collective and will only be used for medical purposes. I shall provide the Collective with all changes in my contact, diagnosis or primary physician information immediately. I also agree to any and all future changes of the Collective's policies as the laws for safe access develop.

This Agreement is Bi-lateral in so far as either I or the Collective may terminate the Agreement, at any time, without notice or reason, and the other party to the Agreement has absolutely no recourse or basis to re-instate the Agreement or any cause of action. I hereby affirm that I read, understand and agree to the terms of the Justified Alternative Healing Collective, Inc. Membership Agreement.
